Riverside Technology Capital Solutions II Select, L.P.**Wire Instructions****Christopher M. And Brenda S. Gorman**

Capital contributions should be wired so they are received no later than 2 pm, Eastern Standard Time on **Friday, February 9, 2024**. Because many limited partners have identical amounts committed to the Partnership, it is extremely important that you instruct your wire department or financial institution to indicate the remitting party on their wire advice so we may identify the proceeds as they are received.

In order for the Partnership to receive your full capital call payment, please instruct your financial institution to charge any and all wire fees to the sender and not the recipient. If wire fees are deducted from the funds received, the Partnership may require an additional contribution to cover the shortfall.
